Novack and Macey Named One of the “Go-To” Litigation Firms for Fortune 500 Companies Based on Monte Mann’s Representation of Cummins, Inc.

NOVEMBER 22ND, 2010

Novack and Macey LLP is pleased to announce that — based on Monte Mann’s representation of Cummins, Inc. (“Cummins”) — it has been named one of the “Go-To” litigation firms for *Fortune 500* companies by the publishers of *Corporate Counsel* magazine. This honor places Novack and Macey in an exclusive group of law firms recognized for delivering exceptional services to *Fortune 500* companies and an even more exclusive group that does so in the field of litigation. This is the second consecutive year that the firm has been awarded this prestigious honor based on Cummins’ recommendation.

Cummins — with customers in approximately 190 countries and annual sales of \$10.8 billion — is a global leader in the design, manufacture, distribution and service of engines and related technologies. Cummins is headquartered in Columbus, Indiana.

Novack and Macey partner Monte Mann represents Cummins and said of the award: “We’re very proud to represent Cummins and to be recognized for this award based on our work for such an outstanding client. We take great pride in being included in this prestigious list of the best law firms in the world, representing the best and the biggest companies.”

Novack and Macey’s selection by *Corporate Counsel* magazine as one of the Go-To litigation firms was based on data gathered from *Fortune 500* companies’ general counsel and through research in key databases. Selections are made in seven practice areas, including litigation.
