## **Case Against Novack and Macey's Client Dismissed**

AUGUST 5TH, 2009

On August 5, 2009, Novack and Macey attorneys Tim Miller and Devra Hirshfeld secured the dismissal of a case filed against their client, Premier Title.

Premier Title is an Illinois title insurance company. After Premier Title ended its business relationship with a supplier, the supplier delivered invoices to Premier Title for services allegedly performed in the years prior to the termination of the relationship. Premier Title refused to pay the invoices because it had paid all previous invoices that were properly delivered. The vendor then filed suit against Premier Title in Wisconsin state court. On behalf of Premier Title, Novack and Macey removed the case to federal court and then moved to dismiss the case for lack of personal jurisdiction.

Magistrate Judge Aaron Goodstein held that the Wisconsin court had no jurisdiction over Premier Title and dismissed the case against Premier Title.
